Project decision sheet

A sheet for a specific proposed commission or donation, to accompany the general board brief. Fields are left blank until the information is supplied.

Institution	Date	Prepared by	Version

Proposal

Artwork, artist, location and intended users

Artwork

Artist

Location

Intended users

Institutional purpose

What the hospital wants the work to contribute (for example welcome, cultural meaning, remembrance, orientation or the quality of a shared space)

Decision requested

Select one

☐ Feasibility review ☐ Approval in principle ☐ Installation approval

Funding

Cash contributions and costs. Keep a donated work's non-cash valuation separate from expenditure.

Donor contribution (cash)

Hospital expenditure

Continuing costs (annual and periodic)

Non-cash valuation of a donated work (not expenditure)

Responsibility

Named people

Executive sponsor

Estates lead

Maintenance owner

Conditions before installation

What must be complete before installation

Consultation

Site assessment

Agreements

Approvals

Evaluation

Defined before installation so that baseline observations can be taken

Question

Measure

Responsible person

Timing

This sheet records a proposal and the conditions for a decision. It does not make a health-outcome claim for the artwork.
